

ACCOMMODATION 2022

Dear Guest!

We are very pleased that you have decided to stay with us. As your host, we have prepared ourselves well and have taken numerous measures so that you feel comfortable. Together with your responsible behaviour, nothing stands in the way of a safe and carefree holiday. If you have further questions, please don't hesitate to contact us. You can also find the currently guidelines for a safe stay at www.sichere-gastfreundschaft.at. We wish you a safe and wonderful stay with us.

End of restrictions

- End of the obligation to wear FFP2 masks (from 16.4.2022)
- Removal of the 3G rule for check-in (no more proof of vaccination, recovery or testing)
- No more guest registration for COVID-19 contact tracing
- Removal of the curfew
- However, our COVID-19 prevention concepts remain in place

Behaviour for guests in accommodation facilities

1. Wearing an **FFP2 mask** in public areas is **recommended** (not mandatory)
2. If possible, keep **distance of 2 m (6.6 ft)** to other guest groups
3. **Reserve in advance** if possible. Reduce congestion at reception and in the restaurant.
4. **Pay contactless** if possible. Preferably settle the invoice with a card.
5. Please follow the instructions of the employees.
6. Avoid shaking hands and hugs.
7. Wash hands several times a day with soap and water for at least 30 seconds.
8. Avoid touching the face with uncleaned hands.
9. Sneeze or cough into the crook of your arm or into a handkerchief.
10. Do not travel if there are signs of illness. If there are any signs during your stay, contact the reception.

Events & gatherings from 16.4.2022

- For events (meetings) with more than 500 participants, it is mandatory for the event manager to nominate a COVID-19 officer and to develop a COVID-19 prevention concept.

Entry requirements to Austria

- Since February 22, 2022, the **3-G rule applies to entry from all countries (Vaccinated, Recovered, Tested)**
 - **Vaccination certificate** (up to 365 days) valid from: second vaccination; 21 days after vaccination with 1 dose vaccine; booster vaccination; Vaccination after recovery
 - **Proof of recovery** (up to 180 days)
 - **Test proof:** PCR test (valid for 72 hours), antigen test not intended for personal use (valid for 24 hours)
- If no 3-G proof is available, registration for [pre-travel clearance](#) must be carried out and a ten-day quarantine must be initiated immediately, which is deemed to have ended once a negative test proof has been presented.
- Children up to the age of 12 are exempt from the obligation to provide evidence.
- You can find more information about the entry requirements [here](#)
