1. From 10:00 PM, our house observes quiet hours. If your event disturbs the smooth operation of our business and/or our guests during these hours, we reserve the right to end the event immediately.
 2. Improper behavior by participants of your event towards our guests and/or our staff may also lead to the immediate termination of the event or issuance of a ban, and disruptive individuals may be asked to leave the premises immediately.
 3. The tenant of the venue/organizer acknowledges that if there are 20 or more participants and recorded music or live music is provided, the event must be registered with the Magistratsabteilung 7. Failure to register may result in a fine and the event being shut down by the authorities.
 4. The organizer is responsible for registering the event with the Magistratsabteilung 7. The Youth Hostel Vienna-Brigittenau will not incur any costs associated with this registration.
 5. Our hostel is equipped with an automatic fire alarm system. A false alarm (e.g., due to smoking, all types of candles, or other forms of open flames such as sparklers, table fireworks, etc.) will result in a fire department intervention, the cost of which, as billed by the Vienna Fire Brigade, is to be borne by the organizer. It is agreed that an immediate advance payment of approximately €700 is to be deposited at our reception.
 6. Please note that it is not possible for participants of your event or other individuals to have food prepared in our premises or to bring their own food into our premises.
- Intending to bring food (cakes, pies, cookies, snacks) or drinks for serving in the venue must be notified in advance and explicitly approved by the management or an authorized employee of the establishment.
 - Coffee machines, kettles, hot soups, main courses, etc., as well as chilled foods (salads, appetizers, creams, etc.), may not be brought in.
 - Food brought in (cakes, pies, cookies, snacks) and drinks will not be inspected by our staff but may be rejected if there are hygiene concerns. The storage and preparation of food brought in (cakes, pies, cookies, snacks) or drinks in the establishment will be carried out according to the legal rules of food hygiene. Under no circumstances will the establishment be liable for any health damages caused by food or drinks brought in.
 - It is not possible for the establishment to label allergenic ingredients in food and drinks brought in. Private individuals are generally not obliged to label allergens. Nevertheless, it is recommended that the manufacturer of the food and drinks inform about any potential allergens.
 - We do not guarantee the integrity and completeness of dishes and vessels in which the food and drinks are delivered.
 - The establishment reserves the right to charge a corkage fee for food and drinks brought in. Please clarify any potential costs with the management beforehand. The regulations of the Youth Protection Act must be observed for self-brought alcoholic beverages.
 - If employees or utensils of the establishment are needed for the acceptance, preparation, serving, or disposal of food residues and any packaging, additional costs may be charged. Please clarify any potential additional costs with the management beforehand.
